

BE STEWARDS

“With each contribution show a cheerful countenance and pay your tithes in a spirit of joy.” Sirach 35:8

Please help Saint James School by being stewards of God's gifts and save the following items for us. You can send them in to school or the back of Church AT ANY TIME!!!

Thank you and God bless!

- 1) **Aluminum cans:** the money we make from the aluminum cans provides the only source of income, besides the book fair and donations, for the purchase of new books and other items for the library. (The school no longer has a physical space to collect them, but you are welcome to collect them yourselves, take them in and donate the money you receive to the library!)
- 2)  Please save the UPC symbols from any Campbell's products, as well as, Pepperidge Farm and lids from V8 beverages. At the end of the school year we request items from a catalog provided by Campbell's; such as playground equipment and other school items.
- 3)  Please send the little "coupon" on the box tops of General Mills cereals/products and Betty Crocker products. The money generated from this project will be used for the purchasing textbooks.
- 4) **SUNMART FOODS® receipts:** For every \$100,000 worth of receipts SunMart will contribute \$1,000 for the general welfare of our school.
- 5) **Ink Jet Cartridges/ Cell Phones:** We receive about \$1 per cartridge/cell phone. This will help supply our computer needs.
- 6)  Please save these labels for the cost of the teacher's health insurance. Each label is worth 24 cents.
- 7)  Target will donate 1% of purchases using the RED card. Please designate St. James School when you use this card. The money generated from this project will go towards the cost of the teacher's health insurance.
- 8)  Please send in the labels of "Our Family" products. We will receive 5 cents per label. This will help the general welfare of our school.
- 9) **Office DEPOT:** When you shop at Office Depot give them our school ID number 70063784 and we will receive 5% of the qualifying purchases for school office supplies.
- 10) **COKE REWARDS:** When you purchase Coke products, a code may be found on the inside of the lid or the inside of the cardboard container you purchased. You can either send in the codes to the school and we will input them or you can log into the Coke Rewards website and donate your points to St. James School. These points add up so that we can purchase playground equipment or art supplies or other needed items for the Coke Rewards Catalog. We have purchased soccer goals, sports balls, and some art supplies in the past.
